# YERACHMIEL BEGUN & THE MIAMI BOYS CHOIR

## Chanukah • Light Up The Nights

MUSIC BY NEGINAH ORCHESTRA • ARRANGED BY YISROEL LAMM

### LIGHT UP THE NIGHTS!

Lyrics: S. Begun

Soloist: Daniel Gober,

(Chorus - Light Up) Ari Taub, Zavel Pearlman

Trio: Eric Stern, Daniel Gober, Ari Taub

The scene was set back when,  
A group of fearless men  
Stood up for their beliefs  
and risked their lives.  
They acted with one voice,  
and firmly made a choice,  
this nation be ensured,  
That it survive.

Their prayers were answered each day,  
Their minds fixed on their destination,  
With victory they made their way,  
No longer deprived,  
At last they arrived,  
To a miracle lasting for all generations!  
1, 2, 3, FO-UR, 5, 6, 7, 8!

#### CHORUS

Light up the nights!  
The candles burning bright,  
On the festival of lights,  
here on Chanukah  
Our nation as a whole,  
Can reach a common goal  
With the fire in our souls,  
the light of Chanukah!

2nd time - Chorus

We answer to one name,  
Our Heritage the same,  
The power of the flame,  
The light of Chanukah

We face a daunting task,  
One that we cannot mask,  
A danger just as real as it was then,  
lets stand with open eyes,  
To hear our brothers cries  
And courage now is needed once again

Let's carry our banner with pride,  
For this freedom how long we have waited,  
With the words of the torah our guide,  
If we stand as one, It can be undone,  
Just think of the wonders that can be created!
