It's פ'נע'ן

Songs Composed & Choir Conducted by **YERACHMIEL BEGUN**

"It's פ'נע'ן." How often are these words stated. How important this concept is!

At times, when something works out well in our own lives, or when an event taking place in the world is so awesome to behold, the ה' becomes very evident. But when we endure difficult days or witness a frightening and seemingly inexplicable event, we must work a little harder to recognize that ה' is behind everything that occurs.

When living in an era such as ours, where history is being made time and time again before our very eyes, we must really stop to reflect and realize that just as ה' can create turmoil and great change in entire governments, so too does He direct our personal triumphs and tragedies, and certainly the fate of Klal Yisroel itself. Because no matter what happens... it's all פ'נע'ן.

פריילעך זאל מען זיין (צואמען צופריילעך)

3. אני מאמין

ואף על פי שיתמהמה

עם כל זה אחכה לו בכל יום שיבוא

4. קוה

Soloists: N. Stark, A. Goldwag, M. Levovitz

קוה אל ד' חוק ויאמץ לבך וקוה אל ד'

5. מן השמים

Lyrics: S. Begun

Soloists: A. Goldwag, N. Stark

Well, his prospects were clear,

he had his career

Sure what his days would bring

Who could've believed, lost all he'd achieved,

That future so promising.

Suddenly someone's calling

A new way in life he's found,

To help others who have fallen

With great satisfaction, his life's turned around!

Cuz it's פ'נע'ן, how it's meant to be

If we open our eyes now, it's clear to see

Yes it's פ'נע'ן, everyone knows

When you search for the signs how they show

Cuz it's פ'נע'ן, it's what we believe

It will always be part of the way we perceive

So we look to the future, so fearlessly,

Cuz it's פ'נע'ן to me.

How do we define Russia's decline

And countries surrounding her

Can it be explained, when nations are tamed

How did this all occur

Look at this world's direction

We watch it like in a trance

Events seem to have connection

Surely we know it just can't be by chance!

Chorus

Throughout our 5000 years

Reflection would bring on doubt,

But time would allay those fears

We'd see what a part of His plan was about!

Chorus

SIDE B

6. לא ישא גוי

Soloists: N. Stark, A. Goldwag

לא ישא גוי אל גוי חרב לא ילמדו עוד מלחמה

7. When

Lyrics: S. Begun

Soloists: N. Stark

See our world — it's torn apart

Boldness has replaced the heart

Each and every day we feel the strain

Lives are filled with emptiness

Living dreams so meaningless

Where's the goal we hoped we would attain?

When? When?

When will the Galus end?

When? Oh, when?

When will Your throne descend?

How will the good succeed?

Can we all be reprieved?

How we long to see Your glory once again

We ask, When? When?

When will these days appear?

Maybe then, only then

The truth will become so clear

The world will be always bright

With darkness replaced by light

How we hope to change our story

Tell me when...

Where are our peaceful days?

In that place Kedusha reigns

May the deeds of Avos be our plea

Standing for what we believe

Endless years we've had to grieve

May our Zchus join those from history

8. מי ידמה

Soloists: A. Goldschmiedt, A. Goldwag

Duet: E. Rabinowitz, A. Bloch

מי ידמה לך ומי ישוה לך ומי יערך לך

הכל הגדול הגבור והנורא כל עליון קונה שמים וארץ

ארכיון העשיפות השולמית

pdfcd17@gmail.com

9. היום

Soloist: Y. Spinner

(פרקי אבות)

היום קצר והמלאכה מרובה

The days just pass by, and

the work can fall behind.

הפועלים עצלים והשכר הרבה

ובעל הבית דוחק

10. ישראל
