וכזכות התם יוציא איום לצדק דיננו. כי קרוש היום לאדוננו.

A prayer from the HIGH HOLIDAYS asking the AL-MIGHTY to Himself be our advocate on this Day of Judgement:

באין מליץ יושר מול מגיר פשע, תגיר ליעקב דבר חוק

ומשפט וצדקנו במשפט המלך המשפט עוד יזכוד לנו

אהבת איתן ארוננו. וכבן הנעקר ישכית מריינינו.

"When there is no advocate of righteousness to plead against the witness of transgression, YOU speak for Jacob (Children of Israel) the words of law and justice, and clear us in judgment, O KING OF JUSTICE. Please remember the love of the Patriach (Abraham), our Master and for the sake of the son who was bound (Isaac), He will stir our strife, and for the merit of the perfect one (Jacob), THE ALL-FEARED will bring forth our suit to the light of acquittal, for this day is Holy unto our Master.

8. I'M SO PROUD

I know it's true. I've never felt this close to You. YOU are my strength. You pull me through. Yes, everytime you do-HAKODISH BORUCH HUH. The gifts in life are all from YOU And I'm so proud to be a Jew, So I sing this song for YOU: Marty K., the big producer-His thick cigar, the party boozer, Forever famous, full of power, It seemed as though with every hour All his wealth fame and glory just grew. Still he didn't feel successful. Deep inside forever stressful Although enjoying life and playing, His neshomeh always saying: Remember, Moishe, you are a Jew.

One day a friendly Yid "just" met him; Clearing all his doubts, he led him. Bringing him back to where He really did belong. Now Moishe is returning there, Singing his song

Now I know

I'M SO PROUD

Susan lived a life you'd treasure-Designer clothes and cars her pleasure. Always popular, admired, A career that inspired, Only voices full of praise without fail. And though it seemed her life was thrilling, Somehow it was not fulfilling, Beneath the fashion and the glamour Beat a strong and steady hammer. Yes, the heartbeat of a BAS YISROEL. One day she just broke down, crying-All the madness of the world, the lying, Facing the truth-so scared. She knew it was wrong And because she really cared; Now she's singing this song

Yes, I know it's really true

9.ACHEYNU

אחינו כל בית ישראל הנתונים בצרה ובשבייה. העומרים בין בים ובין ביבשה. המקום ירחם עליהם. ויוציאם מצרה לרווחה, ומאפילה לאורה, ומשבעור לגאולה. השתא בעגלא ובומן קריב, ונאמר אמן.

A plea for HASHEM's mercy for all suffering Jews wherever they may be:

"Our brothers the entire family of Israel, who are in distress or captivity, whether they're on the sea or on land, may the AL-MIGHTY have mercy on them, and remove them from distress to relief, from darkness to light, from subjugation to redemption-now, speedily and soon, and let us all say 'Amen'."

10.YEHEY RAAVO

יהא רעוא קרמך, רתפתח לבאי באוריתא, ותשלים משאלין דלבאי, ולבא דכל עמך ישראל, לטב ולחיין ולשלם.

Part of a prayer (from the Holy Zohar) said upon taking the Torah out of the Holy Ark:

"May it be Your will, that You open my heart with Torah, and that You fulfill the wishes of my heart and the hearts of Your entire people Israel, for good, for life and for peace.

PEOPLE GO

Many years alone in his cell
Awaiting redemption, so faithfully
A prisoner of conscience, serving in hell
Yearning for home, his destiny
His commitment to heaven's been made
That's how he kept his sanity
His religion never will fade
Counting each day so anxiously
He fought for his rights, never did bend
His goals reviving energy
His reward did come at the end
Rejoice in his land in ecstacy

Yossi survived; he's free now Pleading to you and me now Always have in mind Our brothers left behind Trapped in the IRON CURTAIN Leading in demonstrations Firing inspiration
Thousands shouting "No!"
"LET MY PEOPLE GO!"
Enough of your bluff
And your hurtin'

He left behind a firm guarantee
Alarming the world of the urgency
It's not a crime to wanna be free
To live in the world of democracy
Nudel, Scheransky and so many more
They need our support and our pressuring
And so we plead like never before
To free them from hell and suffering
The message is strong so loud and clear
Why don't they surrender with dignity
We won't leave a single soul there
So wake up and face reality
