Guidelines: _____

- **Video Limit:** Each user can download up to 200 videos per month.
- **New Channel Requests:** To request a new channel, please email us.
- **Supported Content:** We only support 100% kosher channels and videos.
- **Unsupported Content:** If a channel or video is not supported, It will reply stating that it is not supported

Notes: _____

- **Ensure you use the same email address for subscribing and for sending download requests.**
If you wish to download multiple videos at once, please wait 1-2 minutes between each email request.
- **To see our full list of supported YouTube channels and the videos available for download, send an email, write in body: list of channels.**
- **For any messages to our team, please write in the body of the email, not in the subject line.**
